

LED UFO High Bay Light

Features:

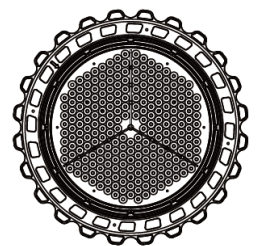

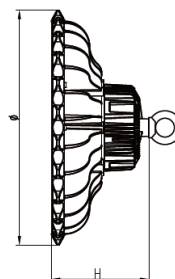

1. Philips Lumileds 3030chips
2. Excellent optic reflector, different beam angle lens
3. Die-casting heat sink
4. DLC,UL,CE,RoHS approved
5. Ip65, water-proof, dust-proof, moisture-proof.

LEI led UFO high bay with die-casting heat sink, can be widely used in industrial application, factory, warehouse, exhibition hall, sport stadium.

Specification:

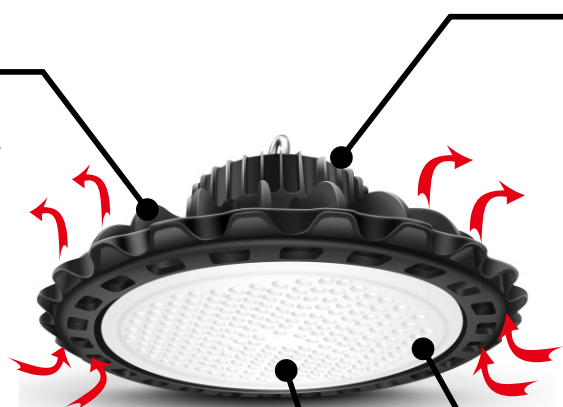

Model	LEIHB-UFO-240W-277V-5000K
Power	240W
Weight	8Kg
Size	φ 350*124mm
Lumen	33,600 lm
Input Voltage	AC100-277V
CCT(K)	5000K
BeamAngle	90 & 120 degrees
CRI	75 Ra
Warranty	5 Years

Product Information

Heatsink

1. Die-casting heat sink with ventilation design is better for heat dissipation.
2. Design is simple.
3. Ip65.

Driver

LED

Philips Lumileds 3030chips

Lens

1. advanced optical lens supply better performance.
2. tempered glass with high light transmittance.

90 & 120 degree shade

Beam Angle
